It's not the same from a year ago.. it's much, much worse. A year ago I didn't know you kept in contact with her. A year ago I didn't have those pictures. A year ago I didn't have the voice recording of you saying you held her hair as you ejaculated down her throat.. oh no it's definitely not the same. It's a horrific nightmare that I can't escape. So, thank you.
