Hello. I go to my last probation meeting this morning at 10. I get to pee in a cup one last time. Next thursday at 12:01 a.m. I will no longer be a convicted felon. I will no longer be an inmate. Yes they did know, there was contact between us. Yes I faced going to prison. You have no idea the stress that I was under and had been living with. You couldn't possibly. I miss you. I wish things were different. You know how I feel about my personal belongings and items. I love you with all my heart and I am really struggling, but I am functioning and being productive. Just been trying to figure out how to make money. Hope and wish things are going well for you and life finds you well. This has been really difficult, just would like to get my things back from you, if that's the way you want this. I miss you and I love you.
