Well, I'm going to be getting a dumpster on Monday and begin clearing out and getting ready to move out. I have just been taking care of the things I needed to on my own, keeping busy and being productive. I am sincerely sorry that I still have moments where I call you, I miss you and you've been a major part of my life for a long time. I truly do love you with all my heart and soul. I realize that you don't read anything from me, which is OK. I miss you more than words could ever describe. Hope you're doing well. I miss you and I love you.
